Effects of wax loading on the performance of antiozonants ... Oct 24
Effects on boundary layers when two compounds are vulcanised in contact ... Mar 18
Effects on polyisoprene properties ... Jan 37
Factors affecting the rate of migration of waxes in vulcanisates ... Mar 20
Failure of rubber in one-sided alkali contact ... Sept 16
Flow behaviour of elastomers in the nip of a two-roll mill ... Sept 15
Fungus-resistance of vulcanisates ... June 30
Graft polymers of butyl rubbers ... May 70
Graft polymers of ep rubbers and acrylonitrile ... Apr 16
Hydroxy terminated polyisoprenes and copolymers with butadiene ... Nov 19
Improvement of insulation properties of cellular vulcanisates ... June 27
Improving the sealing properties of compression-set deficient rubbers ... Aug 43
Increasing the resistance of nitrile rubbers to butyl acetate ... May 68
Influence of diols on the properties of thermoplastic polyurethanes ... Oct 24
Influence of fillers on cold bonding agent performance Oct 27
Low-sulphur recipes for tyre side-walls ... May 68
Microstructural differences in the differing phases of *cis* ir ... Dec 12
Mixing efficiency of a Transfermix type continuous compounder ... Aug 44
Modifying tread rubbers with polyamides ... Feb 47
Neutralising electrical charges during fabric coating ... Dec 12
New accelerator-crosslinking agent ... May 70
New graft polymers ... June 30
Non-volatile alternatives to known antioxidants ... Apr 19
Paste pvc blends ... Feb 47
Perfluoromethylvinyl ether copolymers with vinylidene fluoride ... Nov 19
Problems to be faced by the Soviet grg industry 1971-1975 ... Sept 16
Processing and vulcanisate properties of polybutadiene mixtures ... Mar 18
Relationship between elasticity of rubber and abrasion resistance ... Oct 27
Short cure nitrile report ... Feb 47
Temperature changes during cure of vulcanisates ... Dec 10
Ultrasonics used as processing aids ... Nov 22
Use of fillers in thermoplastic rubbers ... Apr 19
Use of phenolics in nitriles . Feb 45
Volatility of antioxidants ... July 16
Vulcanisation of nitrile rubbers ... July 14
Vulcanising activity of beta-amino ketones ... July 16
Vulcanising agent for fluororubbers ... May 70
